DD/S&T Meeting with Midcareer
Group

✓ Dr. Wheelon is scheduled to talk to the Midcareer Group at 1000 this Friday at Headquarters. The other Deputy Directors will be talking to the group also during the day. The usual practice is for [redacted] OTR, to forward questions prepared by the Midcareer Group about two days prior to their appearance at Headquarters. Attached is the questions prepared for Dr. Wheelon this time. I have requested the various interested Offices and individuals to prepare back-up answers for Dr. Wheelon. I note that question 11 is particularly appropriate for you. Would you care to prepare some remarks or delegate the task to someone else? I am hoping to have all answers back to me by noon on Thurs. since I will have to go over them with Dr. Wheelon sometime Thursday afternoon.
